To Whom It May Concern:

Please be advised that Kelly Roofing has been an authorized dealer/contractor for Duro-Last Roofing, Inc. since June 2000. Kelly Roofing has fulfilled all of our requirements and is in good standing to install all Duro-Last materials. They have received and maintain all necessary Duro-Last training and licensing. Kelly Roofing may purchase Duro-Last materials and is entitled to the services and privileges that accompany such authorization. This includes the ability to issue Duro-Last's standard 15-year or 20-year commercial warranty upon payment of all related invoices and completion of a satisfactory inspection by a Duro-Last Technical Representative.

Kelly Roofing has achieved the highest award level for exemplary workmanship and has maintained Master Contractor status since 2006. Kelly Roofing has installed over 1.6 million square feet of the Duro-Last membrane, covering 139 projects and has maintained an "Outstanding" rating on their inspections. This score is the highest attainable by a Duro-Last contractor. In addition to the high standards his company has achieved, it is an honor to have Ken Kelly serve as chairman for our Contractor Advisory Board.

Please feel free to contact us should you require further assistance.

Sincerely,
